

Excellent X-Rays – Purple Activity Sheet 2: Make a Skeleton

Resources

- Skeleton template (below)
- Scissors
- 8 x Split pins (if you have them) or glue to join the pieces together
- Colouring pens/pencils (optional)

Instructions

1. Carefully cut around each shape below (ask for an adult's help)
2. Lay them out in the right place so you have a complete skeleton
3. Use split pins or glue to join the pieces together and build your skeleton (the pins go through the black dots on the shape)
4. If you want you can colour it in!
